

Total Cubicle Solutions take pride in providing a personalised, professional and cost effective service and can recommend our Executive Range in the following applications:

- Hospitals
- Health Centres
- Sports Stadiums
- Schools & Colleges
- HM Prisons
- Night Clubs & Industrial applications

Total Cubicle Solutions can offer a fast turnaround for the tightest of deadlines and having built up a reputation for superb after sales support, our goal is to supply your cubicles with the minimum of fuss, ensuring that from the start to finish, your project runs smoothly.

All this, and the added reassurance that you are dealing with people with over 45 years experience in the industry.

## Introducing a new dimension in Washrooms: Equus Executive Range

Our Equus Range of cubicles has a modern, minimalist design constructed to meet the most demanding of applications. The design features flush fitting doors, over-head panels, and 'floating' pilasters - creating smooth uninterrupted lines.

The cubicles are constructed from 40mm Finlight MDF with high quality Stainless Steel fittings - providing a luxurious finish.

With a large colour palette to choose from and various finish options including Solid colour, Woodgrain and Gloss we are confident we can provide a design that complements for decor.

To comply with Building Regulations Part M, the Equus Range of cubicles are available in enlarged, ambulant disabled and wheelchair accessible sizes.

**C/L**

**Corner Layout**

**B/W**

**Between Walls**

**F/S**

**Free Standing**

**S/I**
