

dyson airblade

The fastest, most hygienic hand dryer

The Dyson Airblade™ hand dryer works in just 10 seconds – scraping water from hands like a windscreen wiper. It's also hygienic, purifying the air before blowing it onto hands.

10 second dry time

Sheets of air travelling at over 400mph scrape water from hands, like a windscreen wiper.

Costs less to run

Dries 19 pairs of hands for the price of a single paper towel.*

Uses up to 80% less energy than warm air hand dryers

Dyson digital motor spins 88,000 times a minute – delivering a much faster dry time using less energy.

The only truly hygienic hand dryer

A HEPA filter removes over 99.9% of bacteria from the air used to dry hands.

Touch-free operation

Starts and stops automatically.

No dirty buttons to press

Easy to clean. Sealed casing infused with anti-microbial additives eliminates 99.9% of surface bacteria.

Tough and durable

Robust, vandal-proof casing.

5 year guarantee

Comes with a 5 year/350,000 uses guarantee covering parts and 1 year labour guarantee.

Costs less to run

A faster dry time and no energy-hungry heating element means the Dyson Airblade™ hand dryer costs up to 80% less to run than warm air hand dryers and 97% less than paper towels.
