

Introduction to Total Cubicle Solutions

Total Cubicle Solutions offer an extensive range of Cubicles, Wall Cladding Boards, IPS duct panels, and Vanity Units. Manufactured in the UK, our innovative products are made to the highest of standards.

Each of our Washroom Systems are crafted to precision by our in-house team allowing you confidence and assurance specifying Total Cubicles for all your Washroom needs. With over 45 years industry experience and a passion for stylish yet affordable Cubicle Solutions, our friendly staff will offer helpful advice on all our products.

Introduction to the Rainbow Range

The Rainbow Range has been specifically designed with youngsters in mind, catering for Nurseries, Primary Schools and Junior Schools.

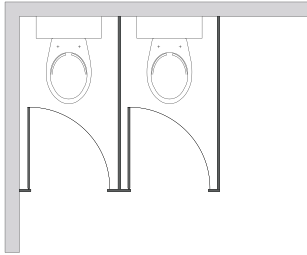

The Rainbow Range offers an array of stimulating colours as standard, helping to create a bright and interesting environment for youngsters. In addition to the standard colours we also offer a digital printing service, allowing you to further customise our products with imagery and text - limited only by the imagination and creativity of you and your children.

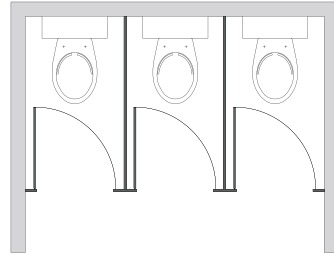

The Rainbow Range offers specifically shaped and sized doors and partitions to ensure children receive all the privacy they require, while maintaining a suitable level of supervision for their safety. If required, Rainbow is also available with ambulant sized access to ensure compliance with the Building Regulations Part M. The Rainbow Range also offers IPS panels, Vanity Units and Wall Clad systems to suit.

Layout Options

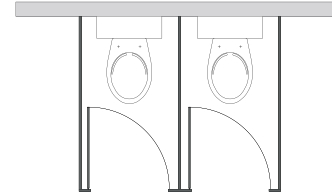

a Corner

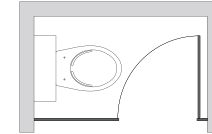

b Between Walls

c Free Standing

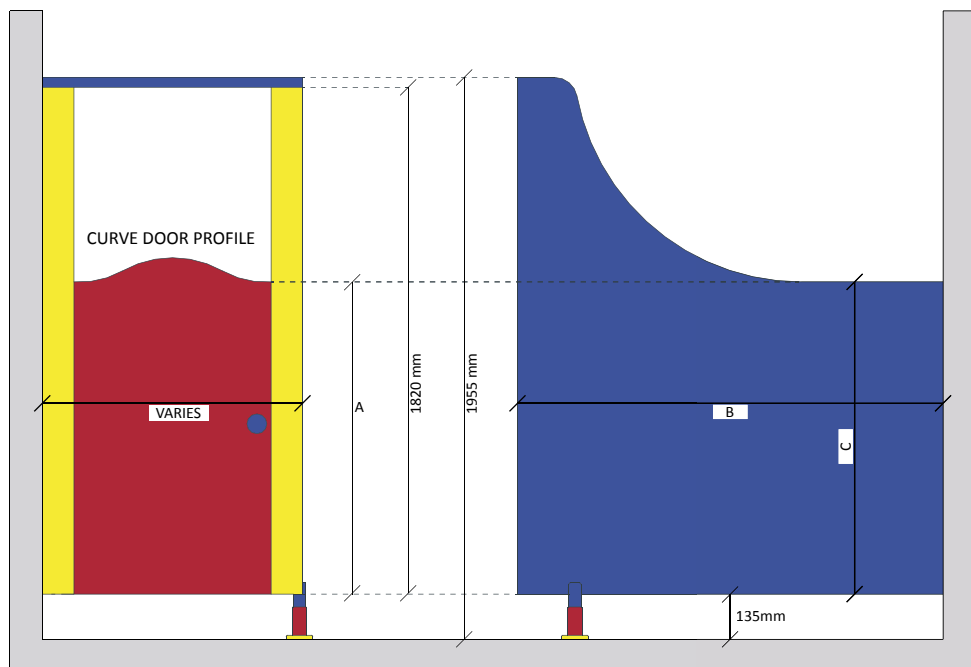

d Single In-Line Partition

Made to measure, the Rainbow Range of cubicles are available in the following layouts as standard. Given the dimensions of your washroom we are able to produce CAD Drawings to confirm the layout and specifications of your washroom design.

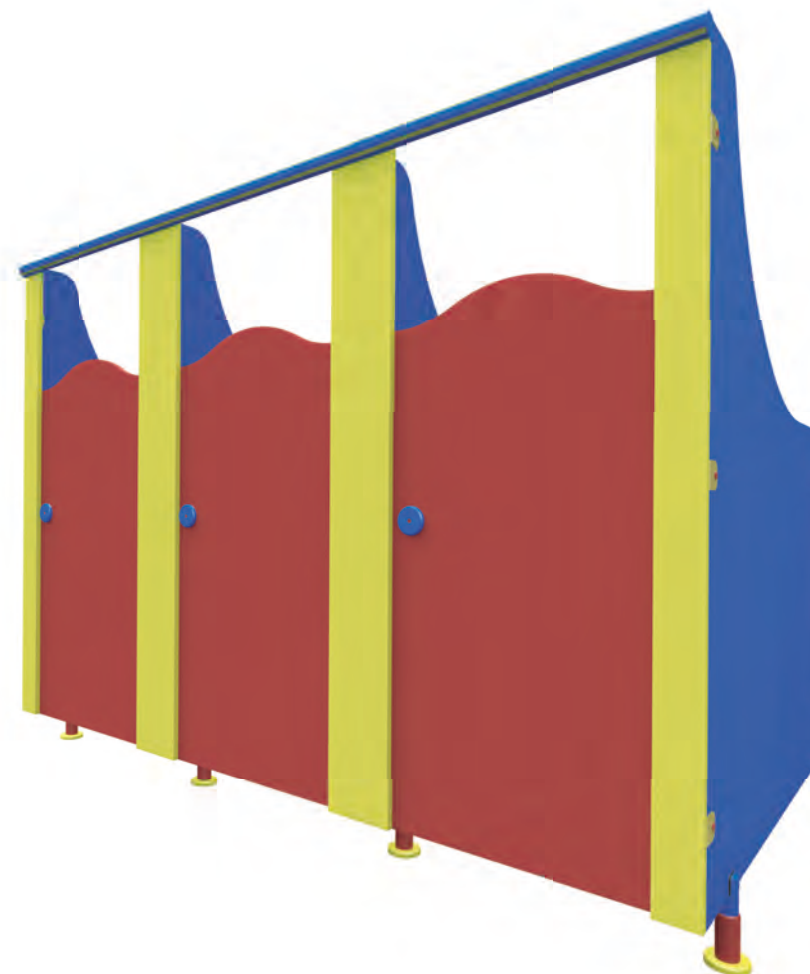

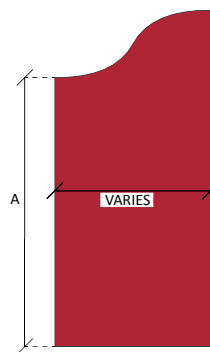

Standard Cubicle Dimensions

The Rainbow Range has two door profiles to choose from, Curve and Wave. Doors and Partitions are also available in Infant and Junior sizes, the variable dimensions are as follows:

| Dimension | Infant Size | Junior Size |
|---------------|----------------|----------------|
| A | 1000 mm | 1300 mm |
| B | 1500 - 1800 mm | 1500 - 1800 mm |
| C | 1100 mm | 1300 mm |
| VARIES | | |

Rainbow Range Customisation

Digital Print

Utilising a 7 colour printing set-up capable of printing at 1440 dpi, the printer is able to apply photo-quality and true greyscale images to a wide range of substrate materials. Not only are the images of the highest quality, the printing process also applies an antibacterial coating. The inks are also resistant to UV light helping to maintain their vibrancy...even in outdoor conditions!

Digital Printing allows you to transform your washroom into something creative, vibrant and unique.

Deep Space

Design Guide

Total Cubicle Solutions offer a range of quality images for Digital Print. If you intend to supply us with your own imagery we would recommend reading the following guidelines to ensure that the quality of the image is retained during the printing process:

- Images supplied in .ai or .eps formats
- High resolution image if supplied in other formats
- Original images are sharp and clear
